Advice For Managing Course Load: Most students carry between 1 – 3 courses per semester. **Plan wisely to suit your particular situation** so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

The Diploma in Public Sector Administration is designed to provide an academic foundation and practical training for persons working in public sector entities to enhance their understanding of the functioning of the public sector and to develop competencies in management. Students build competencies in English Language and Mathematics and are introduced to management and administrative principles and skills to enable them to function efficiently in the workplace. The Diploma in Public Sector Administration programme is delivered **online**. However, final examinations are held face-to-face at the respective sites.

The Diploma **in Public Sector Administration** programme has 30 credits.

The **Diploma in Public Sector Administration** operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Summer Offering: Summer is not mandatory and is not a regular semester. However, it gives students the opportunity to complete courses outside the regular semesters and adds flexibility to your programme plan, however the study period is shorter (7-8 weeks) and very intensive.

Summer also gives finalizing students the opportunity to fast track their programme for completion to be eligible for graduation in October of academic year 2018/2019. Note the **summer period** is not funded by the Government Assistance for Tuition Expenses Programme (GATE).

Requirements for an Award: To be eligible for the award of The Diploma in Public Sector Administration a student must successfully complete the equivalent of thirty (30) credits distributed as follows:

- Three (3) compulsory General Education Courses (9 credits)
- Seven (7) compulsory Core Courses (21 credits)

Duration of the programme: Students studying on a **full-time schedule** must complete the Diploma in a minimum of one (1) and a maximum of two (2) consecutive semesters. **Part-time students** four (4) and a maximum of eight (8) consecutive semesters including summers. **Plan wisely to suit your particular situation** so you may perform at your full potential. Each course is 39 contact hours. However, we strongly recommend that you do not attempt ***more than 3 courses*** if, as an adult, your job and family commitments make it difficult to meet the academic requirements of your programme.

Assessment Methods: The work of students will be assessed and evaluated on a continuous basis through assignments, class-work, tests and an end-of-semester examination in each subject. Assessment requirements are noted in the course outline of each course with clear guidelines, due dates and the weighting for each assessment task.

Technical requirement: Students should be comfortable using a personal computer and email. Students will need to have access to a computer with Internet access.

1. For the working adult, we recommend that you do not attempt ***more than 3 courses*** per semester. **Plan wisely to suit your particular situation** so you may perform at your full potential.
2. Continuing students are required to complete all their level one courses including pre-requisite before undertaking courses from level two.
