Programme Advising for Academic Year 2017/18 [Revised July 2018]

AUGUST 2017 COHORT (for students who started the programme in August 2017)

ADVICE: For the working adult we recommend a maximum of 2 courses per semester (Part time Status).

University Regulation governing Full Time status for Graduate Students: Full-time students may take employment for not more than **twelve hours** per week without losing their full-time status otherwise they shall be registered as part-time. However, research students who hold Teaching or Research Assistantships in the area of their research programmes may be registered as full-time students, provided that their employment commitment does not exceed twenty hours per week.

Note:

- The duration of the programme is based on the courses outlined for each teaching period. If you choose to do less than the outlined number, note that this will prolong your studies. Note that the programme does not have a full time delivery schedule at this time, however students wishing to take on a full time load can consult the Programme Manager to work out a personalized schedule.
- It is mandatory that all students participate in the graduate introduction to online learning course - **OOL6001**. You can review the information about this course on the Website. If you are re-entering and have completed this course already, you will not need to redo the course once done within 5 years of your re-entry.
- Note that Semesters 1 and 2 have 13 teaching weeks, while the Summer Session has 7-9 weeks of teaching. It is important to note that the Summer Session is Compulsory and not doing courses in the summer will affect the duration of your studies.
- Students should download a copy of the Academic Calendar and note the deadlines for normal registration, late registration, requesting leave of absence, and other important dates.
- Students should also read information on the website related to REGISTRATION PROCEDURE to ensure that they have completed all the steps in the registration process.
- Students with resits to do, should note the courses on offer each semester and contact the Programme Manager for confirmation. (You may need to consult the programme advising schedule of other cohorts).
